Final week of GCSE Exams Summer 2019

Dear Parent/Carer

I am writing to provide you with details about the final week of the GCSE examinations this year.

Our normal collapsed revision timetable will continue throughout next week (week beginning 10th June) and students are encouraged to attend these sessions. Details have already been shared with your child. Please find attached a copy of the timetabled revision sessions for next week for your reference and it is also available on the school website.

However, from next week, your child will have the flexibility to study independently at home and only come into school for their exam.

May I take this opportunity to remind you that morning exams begin at 9.00am and afternoon exams at 1.00pm. On arrival, Students need to sign in with attendance and be at school 30 minutes before the start of an exam.

Students coming into school to revise must also sign in with attendance and then attend the timetabled revision sessions only.

At the end of each exam, students will have the option of attending the designated revision session or to sign out and go home to study independently.

Students need to be in full school uniform for all exams.

Please contact the school as soon as possible if there are any issues on the day of an exam.

Yours sincerely

H. Rashid
